PERMANENT FUND FOR THE TEEN SUMMER THEATER

This spring, parents, friends and alumni worked together to raise a working capital fund for the Teen Summer Theater to provide for start-up costs previously advanced by the Meadows from their personal funds. Many contributions were received, as can be seen from the honor roll below, but our goal has not yet been reached. A donation of \$50 or more will make you or your business part of our Permanent Fund and would be most appreciated. We wish to thank supporters of the Fund for their loyalty and generosity.
